IINSPIRE LSAMP is hosting one webinar this semester for students and mentors to discuss the Undergraduate Research Certificate (URC) and “enroll” existing IINSPIRE LSAMP students. The URC will serve as a portfolio of research competencies for students leading to a certificate. Students will gather “artifacts” (coursework, training, and evidence of other experiences) in order to complete the URC. The URC is **HIGHLY RECOMMENDED** for IINSPIRE LSAMP students.
